

SSMU COUNCIL on March 27, 2014

- Guest speakers
 - Colleen Cook and Diane Koen
 - Library Improvement Fund
 - Feasibility study- in order to renovate the study spaces
 - Rebuilding some buildings, which involves moving books to storing facilities
- Question Period
 - What will be cut, in terms of clubs and services via funding?
 - It is the priority of councillors to let their constituents know and ask which services they would like to have kept?????
- Just a side note on what the principle has said are her priorities
 - “The principal said she has key priorities for McGill, including improving the learning environment, promoting research, and increased interconnectedness with other universities and alumni. She also emphasized the need for improvements to administrative processes and the campus—in both physical and digital infrastructure.”
 - Summary
 - 1) Improving the learning environment
 - 2) Promoting research
 - 3) Increased interconnectedness with other universities and alumni
 - 4) Improvements to administrative processes and the campus- physical and digital infrastructure
- Changes to the SSMU Communications Guide
 - As existing
 - “The University Centre provides space for both internal and external group posters. All posters must be approved by the SSMU via the Communications and IT director an/or the VP Clubs and Services or they will be removed”
 - “Posters brought forward by an internal or external group as part of a sponsorship will be reviewed by the SSMU Marketing Representative, Communications, and IT Director, VP Internal, and VP Clubs and Services before being approved. The aforementioned will have the ability to approve such agreements”
- GO TO THE LEGAL CLINIC WITH SSMU for people who have been denied the right to vote
 - However, it does take a long time to see the peeps in the legal service office

 - Course evaluations- keep an eye on

SSMU Responsibilities

- Sue Jeong- Accountability Committee met for the last time for this year; we will be presenting a report on executives’ agendas/meeting minutes/how many times they have met for the committees under their portfolio
 - I will be preparing the report for VP Finance and Operations. Under his portfolio are committees, such as
 - Nominating Committee
 - Funding Committee

- Finance Committee (not existent anymore, as of last SSMU Council)
- Financial Ethics Research Committee
- Operations Management Committee
- This isn't a performance review, but just a way for us to assemble in one document what the executives have done this semester in order to make things more transparent
- Contact me if you have questions! :)

AUS Responsibilities

- Sue Jeong- AUS Awards Night Committee met and selected the winners of the awards
