Wednesday, January 21st, 2015

Submitted by Ava Liu

Intro

Short report this week because of the back to back council that we had last week. Many projects have not yet happened at the time that I write this email.

1. Space-Project(s)

Meeting with MSP tomorrow.

2. Dean's Fee

Will report orally.

3. MoA Negotiation and SNAX

We are meeting with Vilma at legal services on the 27th for our first negotiation meeting.

Projects

Laptop Lending Program

E-vote for laptop licenses did not pass. We will distribute the existing 20 licenses between the Macs and PCs.

Work Your B.A.

This is huge and this is happening right now, as in all of this week. It is all over Facebook and your emails. So far, things have been going very well!

Internal Administrator Hiring

Will update orally. Started interviewing applicants this week.
