 - o Feel free to message me with ideas for food, drinks, games, themes.

Room Bookings and Liquor Permits:

- **BOOK NOW FOR THE WINTER SEMESTER**
 - o Especially Arts160 and Lea232
- I have now pre-booked Arts160 and applied for the liquor permits for the winter semester:
 - January- 19, 26
 - February- 2, 9, 16, 23
 - March- 8, 15, 22, 29
 - April- 5, 12

Other News:

- ****There is now one locker designated to every department for storage purposes****
 - o Stop by the office from 9am-5pm and ask Grant to help you out in procuring yours!
 - Several departments have recently brought up security issues concerning their offices not having proper/any locks.
 - o Please talk to your department/the people who oversee your space.
 - o Costs for putting in new door-locks should technically be covered by building insurance.
 - However, if the issues persist, send me an email and I will try to get into contact with someone who can come up with a proper solution to deal with the issue.
- **In the meantime; please try not to leave any valuables or money in your offices if no proper lock is installed; YOU NOW HAVE LOCKERS! ☺**

FEARC:

- New President, Nicole Lee, has been elected!
- Have already created a new FB page; go like it if you haven't already done so: AUS FEARC First-Year Events, Academic and Representative Council.
- Let me know if your department would like to plan an event in collaboration with FEARC in order to increase outreach to first years within your department!
- Feel free to email the committee at fearc.aus@mail.mcgill.ca

Respectfully Submitted,
Maria Vedeshkina
