

Report of the AUS VP Social Affairs, AUS Council December 2nd, 2015

Bar des Arts

- Last BdA of the semester is this Thursday!
- We have created an agreement for all future showcases to sign before they are allowed to table at BdA. The agreement touches upon safety and appropriate conduct. It also includes clauses that specify that BdA Management is ultimately responsible for the event, any promotional material for Bar des Arts must always go through BdA's Facebook page, and that showcases are not allowed to sell any food/beverages that may disrupt BdA sales, which include alcohol, grilled cheese, or any other item identified as such by BdA Management.
- Next week I'll be meeting with the cochairs and managers to discuss improvements for next semester; we want to get the ball rolling because the first BdA of the semester is on the first day of class (Thursday, January 7th).

Event Planning and Involvement Committee

- The Stache Dash apartment crawl was overall a big success and we have an estimated \$400 that we will be donating to Movember McGill.
- This Friday will be our last meeting of the semester and we'll be discussing possible event ideas for next semester. The VP Academic has already approached us about organizing the thesis retreat together which sounds like a great opportunity!
- Sadly one of our cochairs is leaving for exchange next semester, so the other cochair and I will be looking to replace her with someone currently already on the committee. This person would have to sit on AUS Council, since the other cochair and I already hold positions on Council. If we find someone already on EPIC to fill the empty cochair position, we would discuss among the rest of the committee members if they think it's necessary to hire a new member onto EPIC.

Respectfully submitted,

Christine Koppenaal
Vice-President Social Affairs
