

Report of the Vice-President Communications, AUS Council January 13th, 2016

I. Committee Updates

A. Fine Arts Council

- FAC is working out logistics for Nuit Blanche, taking place Friday, March 18th!
 - Room booking in SSMU, finding acts/performers/etc. to be showcased at the event
- FAC's Dance Fine Arts Representative is also working on her individual dance workshop, which will happen on January 22nd. This workshop will be co-facilitated by Paco Ziel of Montreal's RUBBERBAND dance group!
 - All are welcome, no dance experience necessary!

B. Francophone Commission

- I have received applications for the two new Francophone commissioners and will be interviewing/hiring applicants by the end of this week
- One of the Francophone commissioners from last semester will help me transition these two new commissioners into the position
- I'm hoping to choose dates and times for the French Conversation Circles after add/drop has closed so students know their schedules a bit better
- Also in contact with the AUS graphic designer who is working on a logo for the Francophone Commission!

C. Marketing Committee

- Marketing Committee is taking on AUS Services week! We'll be looking through logistics this week at our committee meeting regarding dates and times for events
- This event will likely be happening during the first week of February (February 1st-5th)
- Also looking at dates later in February to host another Coffee in Ferrier event seeing as the last one what so successful!

D. Prof Talk Coordinators

- Professor Hans Beck will be featured in January (either on the 21st or 22nd depending on his availability)
- My coordinators are already on the lookout for another professor to speak in February

E. Technology Coordinators

- I'm asking my Technology Coordinators to find someone (or perhaps facilitate themselves) a software workshop for students to take place during AUS Services week!

II. Miscellaneous

A. AUS Lounge Space Meeting

- At the tail end of last semester, Jacob, Maria, and I met with Jackie Gregory and Savvy Marino to discuss potential renovations for the AUS Lounge. There are concepts we'd like to use from the AUS Campus Space and Planning proposal we received from last year's executives and concepts we'd like to introduce! Again, if you're interested in contributing to our brainstorm, just let us know!

B. AUS Website Meeting

- I met with Erik and the AUS Webmaster on Sunday to discuss some security improvements for the AUS Website!

Respectfully Submitted,

Elaine Patterson
