

Religious Studies Undergraduate Society Departmental Report  
Wednesday, February 25th, 2016

We are organizing the LLC apartment crawl with CLASHSA, GSA, RUSS, and DESA. We are also in the plans of organizing a potluck in the spirit of old professor Hori's infamous potlucks that brought together students and faculty, it will be held in Birks on March 10<sup>th</sup>.

We also discussed a petition brought forward to us by one of our administrators. We decided to stay out of faculty politics for the sake of our students, and abstained.
