

Report of the AUS VP Social Affairs, AUS Council April 2nd, 2016

Bar des Arts

- The current co-chairs and managers are working on transitioning the incoming committee, who will be running the BdA on April 14th.
- Also, the last BdA of the year is on April 14th :(
- The outgoing/incoming cochairs are having a general meet-and-greet with the Leacock building administration on Wednesday the 2nd.
- Reflecting on this past year, the committee has worked really hard to improve our relationship with Leacock administration and Security Services by keeping an open line of communication and working together to make decisions regarding safety and security in the building. BdA also had a huge spike in popularity this year and the committee is really happy to have improved the patron experience!

Event Planning and Involvement Committee

- Unfortunately we were unable to generate enough interest in potential performers for our open mic night, so we've decided to not throw the event. While disappointing, our committee has a lot of ideas to leave behind in exit reports along with advice on how to plan them.
- For the rest of the school year I'll be compiling an exit report and organizing my files on the office computer for the incoming VP Social.

Respectfully submitted,

Christine Koppenaal
Vice-President Social Affairs
