Report of the VP External to AUS Council 10/17/2016

Hey everyone! Good luck with midterms, hope you're all doing well!

Committees Update

ACE – Arts Community Engagement

ACE has our first Open Mic Night of the year this October 25th at 7:30pm – if you're interested in attending or performing, check out our Facebook event! All are welcome, snacks and coffee will be free. Other events we're planning for are a networking event in late November.

International Student Affairs Commission

ISAC – nothing new to update at the moment.

Mental Health Commission

Last week, MHAUS had their Mental Health Resource Expo. Attendance was ok, but it provided an opportunity for us to meet with groups on campus and discuss collaborations and mental health. Definitely something to do again! MHAUS is looking for individuals to participate in a video series we plan on filming who have had past experiences with regards to Mental Health. If any of you are interested, please send an email to either myself or the president.

Sponsorship Committee

I'm currently hiring Coordinators for the Sponsorship Committee! If interested, please send an email to external.aus@mail.mcgill.ca. I'll be finished with this by the end of the week.

Career Coordinator

The Career coordinator and I have finalized planning for Grad Fair! The event is up on Facebook, I'll share the event to the Council group later. We have 62 confirmed schools attending, and I plan to have the AIO and Scholarship and Aid Office present as well. We are looking for volunteers, if you're interested please send an email to external.aus@mail.mcgill.ca. We need assistance with set up and take down, and assisting schools. There will be ***free pizza*** for volunteers throughout the event.

Other Updates

The third SSMU council was this past Thursday, and I'll leave the details for the report of the Arts representatives.

I'll be continuing meetings with CaPS and OASIS to plan a series of networking events for Arts Students.

Respectfully Submitted,

Kia Kouyoumjian
