Report of the International Development Studies Students' Association (IDSSA) to the AUS Council (10/19/16)

General Updates

- We have had to vacate our current office in Leacock B-31, and are currently in the process of relocating. Once a new office has been secured I will update on its location as well as our updated office hour times.
- Our VP Publications has hired the entire publication board.

Past Projects / Events

- We ran a "Welcome to IDS" for incoming students on October 5th in the IDSSA lounge in order to introduce ourselves to new students and answer any questions. Free pizza was offered, so attendance was great.

Current Projects / Events

- We have been given the rights to offer a pre-screening of *Before the Flood*, a documentary produced by Leonardo DiCaprio and distributed by National Geographic. This screening is taking place tomorrow, October 20th, from 6:00PM - 8:30PM. The location is TBD, I will update verbally on this at council.
- There is an event planned between the IDSSA, AIO and CAPS happening during this meeting time to educate IDS students about summer internships related to international development.

Upcoming Projects / Events

- An apartment crawl is being planned between the IDSSA and PSSA for mid-November. If any updates arise between when this report is written and the meeting I will report verbally on it.
- The IDSSA's wine and cheese event is scheduled for November 1st, from 5:00PM – 7:30PM in Arts 160.

The next meeting of the IDSSA is scheduled for Monday, October 17th from 6:00PM – 7:30PM in the new IDSSA office (location TBD).

Respectfully Submitted,

Nicholas Milum
VP External, IDSSA
