Report of the Vice-President Social Affairs, AUS Council (January 25th, 2017)

Bar des Arts:

- BdA is as popular as ever (get there early if you want to get in!). We had a few troubles last week with participants from other McGill events but security came to help us get everything under control.
- BdA Tabling Application!!!

EPIC:

- EPIC has a few events they are thinking of running this semester (pottery! St Patricks Day! A few other secret ideas!). They will meet on Monday to discuss and finalize.

Grad Ball:

- Grad Ball committee is meeting this Monday, we will be going through the committee expectations and assigning tasks. This year's grad ball committee received 4X as many applications so we will be thinking about if we can expand the committee's role next year to accommodate the new interest.

Respectfully Submitted,
Kat Svikhnushin
Vice President Social Affairs
