Report of RSUS, AUS Council. February 22nd, 2017

- Update:
 - In light of the situation of Arts Rep Sadikov, RSUS unequivocally condemns any form of violence towards any group; nevertheless, we also believe that this conversation - with both perspectives being present - shall take place within the Council first, and shall happen as soon as possible. Sadikov's impeachment would only delay such a discourse, and set an unacceptable precedent of 1) lost of AUS's independent integrity to the McGill administration 2) prevention of a healthy and productive dialogue for further education, understanding, and compassion.
 - RSUS is drafting a public statement on issues aforementioned.
 - RSUS is actively soliciting students' opinions on the creation of three new minors for undergraduate students and is going to report back to the committee at the School of Religious Studies.

Bi-weekly meeting is held at 13:30 every second Friday at Arts Lounge. Please feel free to drop by.

Respectfully Submitted,
