Report of AHCSSA, AUS Council November 8th, 2017

General Updates:

- We are in the midst of collaborating with the Department to potentially arrange a cross-disciplinary trip to Ottawa. Professors have connections to curators and communications industry representatives.
- We will announce a call-out for a new Vice President External next semester to avoid the logistical complications of onboarding someone at the end of the semester.
- We may fund Fridge Door Gallery initiatives, as the organization is facing mounting costs for exhibitions due to the SSMU Building closure. This is contingent upon them securing maximum funding from other on-campus sources, first.
- Canvas, our journal, will host a colloquium in early April.

Upcoming initiatives:

- Our library resources workshop will be held November 6.
- We are screening Art History films and documentaries; the first screening is November 8.
- We will be having a merchandise sale in mid-November (likely the 16th) to sell remaining merchandise produced in previous years.

Respectfully Submitted,

Sarah MacRae-Korobkov
AHCSSA, President
