Report of the Anthropology Students Association, AUS Council November 8th, 2017

We are working very hard to catch up with the semester since we did not have a complete executive team.

Since our last meeting we planned:

- We just had our first event: at Bar des Pins, Trivia, fun night for all anthropology students to get to know each other and the ASA. It was a great success, many anthropology students came and we got very positive feedback.
- Our GA is set for Nov. 13th
- We are setting up an Instagram with pictures of fieldwork from Profs and Students
- We are doing class announcements, especially in 200 level, to get people aware that we exist and represent them (if they have a minor, major or honours in anthropology)
- We are slowly but surely getting back on top of things!
- Created Facebook groups for our classes
- Planning on taking execs photos this week to create a little “meet your execs”

Respectfully submitted,
Sandrine Philie
President of the ASA
