 - VP Internal: No positions, group of people
 - President: positions must be filled by by-elections

 - Will the name be changed to GSFS?
 - VP Internal: Will also change constitution to reflect name change
 - PSSA: do students now not pay fee for departmental association?
 - President: all students pay same fee. If there is a departmental association, they will receive a portion of the fees.
 - Vote: 49 in favor. No opposed or abstaining. Passes

2. Motion to Amend the Role of the Arts Representatives to SSMU via Referendum

- Moved by Arts Reps
- In 2015 role was amended to non-voting members of Exec, and AUS did not consider language of referendum question to allow Arts Representatives to be eligible for work study compensation. Amend language.
- If Arts Reps are to be compensated, they should not be a designated member of the committee reviewing their timesheets. Arts Rep currently has to sit on accountability committee.
- Senator Anderson: Regarding language; no current motion on agenda regarding this. Clear up timeline
- President: Can add motion immediately to re-interpret constitution. Constitution says that executives can be compensated. Difference between “executive” and “sit on executive council”
- Anderson: will changes be going to referendum? Will eligibility for work study also go to referendum?
- President: By-laws will be changed. If council accepts new interpretation, reps will be entitled to work-study immediately. If not, they will be following referendum.
- Anderson: should it be voted on after referendum, or now? Timeline of how this will pass due to constitutionality.
- President: timeline is flexible; depends on council. Accountability does review timesheet, so want to remove Arts Reps before qualifying for work study
- Vote: 49 In favor None opposed. None abstaining.
- President: include Amend interpretation of Article 12 of Constitution to last item on New Business. Seconded by Rep Bulger. Vote: 46 in favour. 1 Opposed. 3 Abstain

3. Motion to Lower the Arts Computer Lab Fund Fee via Referendum

- 2016 Arts Computer Lab Fund Fee reduced by 25% and computers reduced at the time; balance of the fund continued to rise (\$385,000); usage of AUS computers maxing at 66% last year; continues to decrease (fee also decreased).
- Proposed: lower opt-mutable levy for Fund to rate of \$3.85/semester for full-time students; \$1.93/semester for part time. BA&Sc students pay half the rate. Reduced number of desktop computers by 60% at Ferrier Lab while laptops continue at the same rate. Fund is sustainable for the next 8-9 years.
- Question: repeat changes if reduction goes into effect.
- President: repeated changes
- Moved by President and seconded by VP Finance
- Vote: 48 in favor none opposed, 1 abstention. Passes

4. Motion to Increase the AUS Base Fee via Referendum

- Presently base fee at \$13.50; increased in 2013. Fee will allow 10% increase to departmental funding. Raise AUS employee wage to \$15/hour

5. Motion to Lower Quorum for the AUS General Assembly via Referendum

- AUS is 1/3 size of SSM but has quorum level higher than SSMU
- Change to Constitution: GA governed by Speaker at request of 8 councillors or request signed by 60 members of AUS
- 5 days' public notice given for GA
- Quorum for GA shall be 75 members of AUS; to pass a resolution to AUS student strike will be 500 members of AUS
- Moved by VP Academic, seconded by President
- BASiC: What is the SSMU forum quorum?
- Present: 100 people is quorum
- WIMESSA: Move to amend by striking clause 17.4.1, Not Friendly
- President: concerns about the strike: never been issue when reaching quorum, inters of student strikes that there should be a large proportion of faculty in attendance.
- WIMESSA: decision is based on 2011 Quebec students strike. that circumstance understand why quorum is so high. Today is not the same case, irrelevant and unreasonable. Been difficult for AUS to meet quorum. Unreasonable to expect 6% of AUS population (500 people)
- President: Motion to extend time to speak to 3 minutes. Seconded by Chan
- WIMESSA: talking about specific points brought by students, GA not entertained unless 500 present. Impossible with current attendance levels
- President: only strike in last 10 years was March 2012, where 11,000 students attended
- WIMESSA: What was it for?
- President: unlimited general strike in Quebec
- WIMESSA: movement in 2011 by students across the province wo were ready to show up for it (to raise tuition by \$1000). Current boycotts not expected to be that large scale
- Nwabufo: amend current amendment; not strike it, but change it to 100. Amend and Amendment

- WIMESSA: 1 minute to decide
 - VP Academic: What is WIMESSA's proposed number? Should it be lowered or removed?
 - WIMESSA: No issue with the lowered number of 100. Will withdraw amendment in favour of Senator Nwabuo's
 - Anderson: First Amendment withdrawn.
 - Nwabuo: Motion to move Amendment, seconded by DESA
 - Chan: would WIMESSA be willing to change number proportionally to 250; better to represent quorum. Should be reflected in number needed for boycott.
 - Nwabuo: Amendment is friendly
 - WIMESSA: New Amendment to change 17.4.1 from 500 students to 100 students. Seconded by PSA
 - VP Academic: Why would 100 be the proposed number when 250 is proportional?
 - WIMESSA: not a rational number; 500 cap is irrational to begin with, necessary during the past circumstances, otherwise never would be proportionate. Surprised that his motion was asked to be withdrawn, then unfriendly retracted.
 - Anderson: behind the proportional number, 500 is not irrational. If there was something very serious, students will show up. Ex. SSMU meetings. Any member is allowed to change their motion at any point or time.
 - President: Move to Call Question, seconded by Arts Rep Chan
 - Vote to Call the Question: 46 in favour, 3 opposed
 - Amend the Motion to 250 Vote: 38 in favour, 11 against
 - 17.4.1 cap is 250 members of the AUS; can now debate entire Motion
 - Anderson: Add a Whereas clause to state that 17.4.1 will be amended as to proportional to GA. Friendly
 - Gallery Member: Where are the other amendments?
 - Speaker: once one amendment passes, other amendments that conflict or are contradictory are defeated since they are out of order
 - WIMESSA: don't think that changing to 250 people is a good decisions; there are a lot of smaller resistances that will never get that many people Ex. police brutality, Right to Die, etc. Detrimental to minority students who cannot represent themselves.
 - Vote: Amendment of 17.4.1 to 250, and new Whereas clause. 37 in favor, 11 opposed, 1 abstentions. Motion passes as amended.

- Additions to this list of committees will be friendly
- Anderson: can people who do not sit on council also be able to start a committee without starting a petition?
- President: confident they would have to go through signature number (25 needed)
- Anderson: suggestion to review timeline and that these questions are going to referendum. So that committees that oppose referendum question will have to get signatures when can just go to council
- President: Nov. 13th is deadline to form committee
- Senator: will you advertise referendum question so everyone will have opportunity?
- President: absolutely, will go to council.
- Speaker: 50 signatures are required.
- Vote: 49 in favor, 0 against, 0 abstentions. Passes

8. Motion to Amend the Accountability Bylaws

- Amended so that: at least once per semester, an anonymous survey will be conducted among the AUS departmental executives, for purpose of gathering feedback on AUS Executive conduct, accountability and approachability
- EPIC: would representatives not be able to fill out the survey

- Chan: defer to fellow accountability members
- Anderson: can amend to include the representatives that sit on council
- President: Motion to amend 3.1 to read “among departmental executives and voting members of council”
- Anderson: “And other voting representatives on council”, friendly
- EPIC: isn’t that the original clause if amending to say original line?
- President: that is a formatting issue.
- Anderson: add AUS executives to expand survey pool to beyond the departmental representative on council, just to get feedback from rest of departmental councils.
- Vote: in 48 favor, 0 against, 1 abstention

Primarily funded by ticket sales and frosh surplus. Very little coming from AUS money. Winter retreat in President portfolio. - DESA: what is planned for revenue for the AUS 25 event
- VP Finance: generated from ticket sales
- ACHSSA: under President Portfolio, what is New Student Letter
- President: the letter that everyone receives from Faculty of Arts acceptance
- ACHSSA: in terms of sweater, which was an issue last year. Why are costs so high. Is there a possibility to decreasing it.
- VP Finance: tried to reduce this amount due to issues last year.
- VP Communications: haven’t ordered the sweaters yet, trying to get it for as cheap as possible. Money has not been spent yet. Will update on spending at a later date.
- Vote: All in Favor. Passed

10. Motion to Condemn Quebec National Assembly Bill 62

- Moved by Arts Rep Chan and 11 others
- Bill claims to be in support of religious neutrality, but only targets Muslim women due to the facial coverings. Bill is not in accordance with Section 3 of Quebec Charter of Human Rights and Freedoms, or Section 2 (a) and (b) or Canadian Charter. May embolden Islamophobia in Quebec.
- Condemn it publicly and for the McGill administration to publicly condemn it. Suzanne Fortier says will not affect current McGill policies. Want to bring it up to provincial and federal level courts.
- Contrary to AUS policies. Will allow AUS to condemn on listserv and official media, call on McGill administration. Enforce idea that UAS is supporting students affected but the Bill.
- PSSA: regarding second last clause, how confident that federal government has the power to challenge this rule? Would it be possible for federal government to challenge the provincial jurisdiction?
- Chan: Federal government has previously questioned provincial rulings. The only reason federal government will not do it right now because it is not in their interest right not to challenge it.
- MUGS: why is it not mentioned to push SSMU to do anything. More possible for AUS to get SSMU to do something other than federal government.
- Chan: there is a motion regarding this to be brought to SSMU. Will put forth friendly amend meant to the motion.
- Wilson: could amend motion to include pressuring SSMU. Will be friendly.
- Anderson: Motion to amend second to last "Be it resolved" clause to say AUS calls for SSMU to call on the Federal government to challenge Bill 62. Friendly. Strike federal government and replace with SSMU.
- Chan: Friendly, but also wants to show that AUS wants to condemn this.
- Anderson: could keep in AUS calling on federal government, but also add SSMU to keep the amendment friendly.
- President: To add a new Be its Resolved Clause. Add SSMU into group of parties being called on.
- Anderson: withdraw clause.
- Chan: friendly
- Vote: 48 in favor, 0 against, 1 abstentions

- Arts Rep Chan: ESA representative question. Why two reports? Why were so many meeting reports missing?
- ESA: did not send a report last meeting and did not know was presenting today.
- George Gabriel from Gallery: decision to change quorum to 250 was unfair. Are councillors aware that GA of SSMU is 250. Expected entire faculty of arts to show up. Do councillors know how many constituents are in African studies or East Asian Studies? Difficult to mobilize.
- President: this is a referendum question. Council is not making decisions on referendums. Generally GA will be 75 people. Arts is 75% of the student population and thus the amendment is still proportionate.
