

Motion to Amend the Accountability Bylaws

Whereas, the Accountability Committee recognizes the importance of feedback and taking into account the Accountability Survey last year that had a notable lack of participants

Whereas, all AUS departmental executives' input, not just the voting members of legislative council, remain crucial to ensuring accountability within the AUS executive

Whereas, opening the Accountability Survey to all departmental executives will provide a more accurate report on AUS Executive accountability

Be it resolved, that the AUS Legislative Council approves the changes to the Accountability Policy as follows:

- 3.1 At least once per semester, an anonymous survey will be conducted among the ~~voting members of the Legislative Council~~ AUS departmental executives, for the purpose of gathering feedback on AUS Executive conduct, accountability and approachability.
