

Report of MESS for AUS Council on Oct 25th

Apple Picking with MUGS

- Was very successful! People came and had a good time, lots of apples were picked.

Prof Talk

- I reserved the living room at ECOLE on November 9th for our Prof Talk. We already found 2 profs to talk. We will bring some cookies and coffee/tea at the event.

Constitution

- One of our presidents noticed a mistake in our constitution and now our VP External SUS is working with SUS to amend our constitution.

Respectfully Submitted,
Charlotte Aubrac
