Anthropology Students' Association's (ASA) report:

We are working very hard to catch up with the semester since we did not have a complete executive team.

Since our last meeting we planned:

- An event happening this Thursday at Bar des Pins, Trivia, fun night for all anthropology students to get to know each other and the ASA.
- Our GA is set for Nov. 13<sup>th</sup>
- We are setting up an Instagram with pictures of fieldwork from Profs and Students
- We are doing class announcements, especially in 200 level, to get people aware that we exist and represent them (if they have a minor, major or honours in anthropology)
- We are slowly but surely getting back on top of things!
- Created Facebook groups for our classes

Respectfully submitted,

Sandrine Philie  
President of the ASA
