

Report of the Sociology Students' Association

Revamping Sociology

- Considering revamping the letterhead of the SSA's list-serve and logo.
 - Dependent on turnout of call outs for graphic designers and the ideas that they may have in mind

The Future of the SSA

- The SSA is considering allowing some first-year students who are interested in being a part of the SSA as a general member who would oversee tabling events.
- Investing in the future of the SSA by involving students who are looking to get a better understanding of the SSA executive positions and the association

Slices for Sociology

- Come grab a slice of pizza before finals, unwind, ask the execs advice on writing essays, journal submissions, or just to unwind and hang out!
- November 29th in the Champagne room (time to be determined)

Respectfully Submitted,

Michelle García
Vice-President of External Affairs
