## Report of the Vice-President Communications, AUS Council, November 8<sup>th</sup>, 2017

### I. Francophone Commission

Met with the francophone commissioners on October 31<sup>st</sup>! We mainly discussed events for the rest of the semester. The first one is going to be a La Banquise night with the conversation circles because many of them like poutine.

The second event is scheduled for November 29<sup>th</sup> with a speaker who is going to recite traditional Quebec holiday stories. We are just handling the logistics of this event such as room, timing etc. and the event will drop soon!

Just want to advertise conversation circles more, working on posters and other social media promoting strategies.

### II. Fine Arts Council

Met with FAC last week and this week. We went through all the applications for fall funding and deciding allocations.

Fall funding answers will drop soon.

### III. Marketing Committee

Met with marketing committee on November 1<sup>st</sup>. Gave members their logins for different social media outlets and are getting them to run it to advertise events. If you want something advertised, please let me know and I'll relay the info.

Next meeting is November 15<sup>th</sup> and by discussion and recommendation of group, we want to expand the committee and create positions so going to keep the applications open!

### IV. Speaker Series

Theme is officially selected and it is **Intersectional Empowerment!** Ms. Bourassa has been confirmed on January 26<sup>th</sup>. Finishing up the letters to send to different offices to invite speakers.

Shoutout and thanks to Arts Rep Chan gave an amazing list of speakers to reach out to so drafting up their letters as well.

#### **V. Miscellaneous**
