Report of AHCSSA, AUS Council November 22nd, 2017

General Updates:

- Our executive released a statement on Wednesday, November 15, encouraging students to vote on the DPS referendum.
- We held a merchandise sale on Wednesday, November 15 to sell the remainder of merchandise from 2016.
- The Fridge Door Gallery held its Fall vernissage on Saturday, November 18.
- The department has sought our input into round-table discussions and speaker series for the 2018-2019 academic year. We will consult our constituents about this.
- Following an incident that left many executives on our council feeling unsafe, we request that nobody contact any of our executives regarding official matters via social media. Please contact our official email.

Upcoming Initiatives:

- We are reforming our constitution to necessitate interviews for any positions that involve attending meetings beyond AHCSSA council.
- The Department of AHCS is hiring two new professors this year. We will create a method for students to respond to and endorse certain candidates. The department prefers letters, so we may create a generic template to facilitate drafting. Additionally, we may set up a survey form to collect feedback in the hiring process.

Respectfully Submitted,

Sarah MacRae-Korobkov
AHCSSA, President
