Report of African Studies Students Association

Departmental Updates

- The president is currently away so she will be performing her role remotely. Our VP Internal is the new chair of the meetings.
- We are still accepting essays for our academic journal, *Uhuru*, and will be making announcements in several classes.
- Our VP Academic is preparing a survey for all students in the three ISID undergraduate programs in order to gain feedback on AFRI courses and the way the program is run.

Upcoming Events

- We are planning a panel-style information session with Professor Khalid Medani and other professors teaching African Studies courses. Other featured speakers will include upper-year students, alumni, graduate students and professionals in Montreal who are working in African affairs. The purpose of this information session is to provide a source of inspiration as well as possible connections for students currently interested in African affairs.

Respectfully Submitted,

Carmella Munyuzangabo
VP External
