## **Report of the Vice-President Communications, AUS Council, January 10th, 2018**

### **I. Francophone Commission**

One francophone commissioner is going on exchange so looking to recruit a new one. Planning on sending out listserv callout and on social media. A fourth one was hired at the end of last semester.

The holiday story telling event went well. The audience was small but it was very enjoyable. The poutine night event was also small but the francophone commissioners said it was appreciated by those who attended.

Going to coordinate a meeting with the current commissioners to decide French conversation circles timings and events throughout the semester.

### **II. Fine Arts Council**

#### **SAVE THE DATE: FEBRUARY 1<sup>ST</sup> – NUIT BLANCHE!!**

FAC is mainly focusing on nuit blanche right now. Having trouble recruiting performers so if you know of anyone who would be interested, please share this with them: <https://docs.google.com/forms/d/18AzhrecrffPLstREgZPyA72D-IOOJJrRIGqIMLCqeB8/edit>.

I will be advertising this form on the listserv and different social medias!  
Workshops will be planned as well probably after nuit blanche. The theatre one was last semester on December 4<sup>th</sup> and it went well!

### **III. Marketing Committee**

Marketing committee has expanded!! There are 4 new members and we are just trying to coordinate a meeting!

We are restructuring the committee so that each person will have a position and portfolio to carry out. We are just having trouble deciding the roles but will update from our meeting.

We would love feedback, the members of marketing committee have been handling our social media and want to hear how it is!

#### **IV. Speaker Series**

As you know the theme of our intersectional empowerment. Unfortunately, I've been met with some pushback, a lot of speakers have asked to contact them in the end of January for February or March bookings.

Our first speaker is booked as well, she has had to push back as well due to having to travel.

#### **V. Miscellaneous**

- Planning to meet with the media coordinator to ensure everything is running smoothly
- Been a long time coming but McGill talks will begin

Respectfully submitted,

VP Communications Maria Thomas
