### **[Since Report #7]**

- The Peer Tutoring Application for Winter 2018 has been submitted.
- The last Linguistics Departmental meeting (January 18, 2018 at 3:00PM) was cancelled, and the SLUM President therefore did not attend.
- Our VP External position has been filled by Linda Zeng.
- Meeting time for the semester is now being established now that add/drop period is over.

### **[Upcoming Fundraisers]**

- Our VP Fundraising has returned to Montreal and we are now scheduling a samosa sale and bake sale for this semester.

### **[Upcoming Events]**

- Bilabial Plosives, B&P (January 25, 2018 @ 6:30-8:30PM) – we hold one each semester, beverages and pizza social event. This will be held the Luna Lounge.
- Future Week (TBA) – here, we invite those who have completed an undergraduate degree in Linguistics and we learn what they ended up doing with it and their career.
- CLAUSE – our undergraduate research symposium:
  - We have received \$500 in funding and we are still waiting to hear from two other funding applications we have submitted
  - Due to lack of funding, we are considering making this a one-day event (Friday, March 23) than a two-day (March 23 & March 24)

Respectfully Submitted,

President of SLUM
