

Report of the Vice-President Communications, AUS Council, January 24th, 2018

I. Francophone Commission

The francophone commissioners had a meeting last week regarding their plan for the semester. Keep an eye out for some big events like have a donut for a French conversation, Francofête later in the semester.

French conversation circles are set for Mondays and Wednesdays from 5:30-7 so make sure to spread the word.

II. Fine Arts Council

The Council has predominantly been focusing only on Nuit Blanche and planning all of that. I've been handling most of the advertising with the help of marketing committee. The council had a meeting on Friday which I unfortunately could not attend.

I met with the commissioners on Wednesday. We discussed the logistics of Nuit Blanche and the delegation of tasks among the team.

III. Marketing Committee

The marketing committee has been predominantly focused on advertising Nuit Blanche. They have also been posting fun facts about AUS to promote some services! They have been doing amazing! We have also recruited one more person and I am scheduling a meeting this week.

IV. Speaker Series

Things have turned around quite a bit, we have one more speaker booked who will be skyping in the first week of March after reading week. We will start advertising and promoting this after Nuit Blanche.

V. Miscellaneous

- Been working on my exit report

Respectfully submitted,

Vice President Communications Maria Thomas
