

Report of the German Students Association (Feb 7th)

Present

- We have added some new regular events this semester: Stammtisch and Kinoklub, alternating on Thursday evenings. (i.e our last Stammtisch took place last Thursday at Gerts and we will screen “Lola rennt” tomorrow, Feb 8th)
- Our Kaffeestunde (conversation hours) is as always going on, every Monday 4-5 at Java U.
- Our Peer Tutor, Rebecca, will start the tutoring sessions soon!
- Call for submissions for Vielfalt, the German Undergrad Studies Journal! Anything related to the German culture is accepted, and submissions may be in French, English or German

Projects

- Lebkuchen Heart Cookie sale for Valentine’s Day
- Carnival Potluck (precise date tbd)
- Go ice skating + eat on a Saturday morning (probably early March)
- ... Maybe other projects but these ones are the most concrete at the moment. ☺
