

## **Report of SLUM**

### **Clause**

- We have two committees, Wine and Cheese and Symposium itself

### **Wine and Cheese**

- Successfully held in Arts 160 from 5~8PM on Fri. March 23,2018
- Thanks for Emily, Megan and Tea for being extra competent by doing so much organizing and planning

### **Symposium**

- Successfully held from 1~4:30 PM in Thomson House on Fri. March 23.2018
- We found out we have \$400 extra from LSA
- We still need to finished the criteria for abstracts

### **Future Week**

- Successfully held from March 19<sup>th</sup> to March 21<sup>st</sup>
- We've invited two recent graduates who are working at nuance (a company that produces linguistics related technology such as speech recognition software
- And Prof. Laura Collins at Concordia Applied Linguistics Program, a speech language pathologist, and recent McGill graduate who works as a Lexicographer at Druid informatique

Respectfully Submitted,  
VP External,
