

Report of the Vice-President Communications, AUS Council, March 28th, 2018

I. Francophone Commission

The commissioners put on their maple and board game night event. The attendance was low but people really enjoyed. We will try and have one more event prior to the semester ending. I am going to schedule a meeting with them this week to talk out ideas.

II. Fine Arts Council

Fine Arts Council met last week on March 21st to plan our workshops. Simone, our commissioner had the idea of creating a francophone commission week where we have all the events going on. The event information will come out soon and I hope you all attend.

Winter funding allocations have been sent out as well!

III. Marketing Committee

Trying to schedule a meeting with them to plan out everything for that tabling day.

IV. McGill Talks

I met with my amazing videographer last week to begin filming our next video which is “What you wish you could say to your professor!” We will be filming more this week so if you want to contribute, please let me know!
