

Report of the German Students Association (Apr 11th)

Present

- We will have our Journal Launch on Friday, Apr 13th, from 6 to 9pm at the Goethe-Institut-Montréal.
- Our elections for next year are looking good, most exec positions have at least one candidate.
- That's pretty much it, the semester is coming to an end. ^^

Projects

- It's a bit late for that, isn't it.

Others

- I would just like to apologize for my absence on March 28th (I was very sick), and thank the members of this council for reinstating GSA. I wish you all the best of luck for the finals and what comes after. ☺

Respectfully Submitted,

MARTIN CROQUEZ
