Report of the HSA

HAPPENINGS

- Our sweater order arrived and almost all have been picked up by people who purchased them during our office hours last week.
- We ordered McGill History laptop stickers to give to constituents for free at events. They are beautiful and people have been enjoying them.
- The HSA's Research Brunch was Thursday morning in RVC West Lounge and it went very well! Attendance was good, the atmosphere was very positive, and the professors spoke to us afterwards about how much they enjoyed sharing their work with students.
- I submitted revisions for our Constitution to separate the External/Academic portfolio in two. Hopefully every report of the HSA in years ahead will be respectfully submitted by the HSA VP External Affairs, not joint External/Academic!
- The outgoing HSA congratulates the newly elected executive team and wishes them a fantastic year ahead.
- Many thanks to the AUS for their continued support of the HSA this year.

Respectfully Submitted,

Rachel Almuli
HSA VP External & Academic Affairs
