

Report of McGill Undergraduate Geography Society

Sunday, April 8, 2018

General Updates

- The Executive has been successfully hosting a series of social events, called Pints and Polygons, which are held at bars, cafes, and pubs, on a biweekly basis to help foster a strong climate of social connections amongst Geographers.
- Executive Elections results were announced on Friday, April 6! We have a great new team coming in for the upcoming year! Outgoing executives will be preparing exit reports for each incoming executive, and meeting with their successor to answer any questions.
- The year-end party was a big success on Friday, April 6!
- Many year-end events, including the Honours poster session, Journal launch party, and Geography Awards were all well attended and just concluded. Great work to the Exec team for making these events run smoothly!
- Thank you to AUS Council, AUS Executive, and the MUGS executive for a successful academic year of student engagement! Enjoy the summer ☺

Respectfully Submitted,

Jesse Bartsoff

VP External to Arts, MUGS
