## **Report of the Economics Students Association (ESA) on October 17<sup>th</sup>, 2018**

### **Economics Students Association Business**

- The ESA is conducting a capital improvement on our website at [www.esamcgill.weebly.com](http://www.esamcgill.weebly.com) by updating our executive pictures and statements. We intend to add more resources such as information about courses, events, and tutoring in the short-term in order to provide for our students' welfare in the long-term.
- On October 30<sup>th</sup>, the ESA will host a *Professor Wine & Cheese*. All Economics students are invited to this social event with their professors. We have already begun contacting our professors to ensure that no shortage of them exists.
- We are continuing to supply python coding tutorials to students in order to improve their skills for both the classroom and the labor market.

Respectfully Submitted,

Andrew R. Chase

VP External, Economics Students Association
