

Report of History Students Association

Recent Events

- The HSA collaborated on an event with the PSSA, SSA, IDSSA and the ESA that took place on September 21. It was great to meet new and hold history students, and have the opportunity to collaborate with other departments
- We hosted a coffee meet and greet on September 27 in the AUS lounge, it was a great chance for the Exec to meet history students!

Internal Updates

- We are currently in the process of appointing a VP Internal, as one was not elected in the Spring. This process should be completed by the end of the week. The process has taken slightly longer than expected due to a large number of applicants.

Upcoming

- We are planning on sending a call for applications for Members at Large and for a First Year Rep
- We are looking ahead to our next event, our annual Spooky Lecture Series.

Respectfully Submitted,

Maeve Botham
