General Updates

- Lockers in Burnside basement are still available for Geography major and minor students free of charge, and for \$10 to non-geography students for the year. People interested should send an email at mcgillgeography@gmail.com.
- Nomination and application period were held for the positions of U1 Representative, Sustainability Officer, and Fieldnotes Editor-in-Chief.
 - Official announcement regarding these positions will be made this week.
 - Nomination period for U1 Representative was extended to October 3rd given the fact we hadn't received an updated list of Geography students until this past Saturday (September 29th).
- Our U2 and U3 representatives are working on clothing orders (i.e.: sweatshirts, caps) that will be available to Geography students at a discounted price.
