### **General Updates**

- We have conducted our first meeting with our newly hired VP Coms, Honours Rep and U1 Rep, discussing their role in the association and our goals for the year
- We have met with members of the ASA, with whom we share our office, and discussed our shared space, as well as how we would like to better it, and how sharing this space over the next year would go.
- We have begun the process with faculty to get reserved seats within sociology classes for members of our association.
- We have designed and ordered our SSA stickers, which should arrive in the next few weeks.

### **Upcoming Events**

- We are continuing the planning of our upcoming wine and cheese/ coffee research session, as well as determining ways to reduce the budget surplus that the SSA has from previous years
- We are meeting again with the ASA to revamp our office
