Department Report: Department of English Student Association (DESA)

Listed below are the activities of DESA for the period spanning November 12th to 23rd, 2018.

We have begun to post our exec photos and burbs on our Facebook page.

We ran a successful Wine and Cheese event last week and are in the process of holding an event next week specifically for U1 students.

Led by our VP Academic, we continue to make progress on our podcast and are scheduling time with professors.

We sent out a survey to English students to see how they would like any surplus in the budget to be spent, and it seems as though it will be spent on merch so we are looking into options.
