

Report of the German Students Association (Nov 14th)

Present

- We had the apartment crawl on November 9th, it was awesome! 😊
- TV Serie (Babylon Berlin) screenings and Stammtisch (conversation hours) are still going on. 😊

Projects

- We are think of updating our Constitution, but it's unlikely we'll present it to AUS before the end of this semester.
- Overall, we're just keeping our weekly events going, and brainstorming for next semester.

Respectfully Submitted,
