Wednesday, November 28<sup>th</sup>, 2018

### General Updates

- MUGS has appointed the new Editors-in-Chief of Fieldnotes, our student-run journal, filling out our executive positions!

### Events, Projects, and Opportunities

- Our favourite day of the year has come and gone as GIS day is now behind us. On November 14<sup>th</sup>, the GIC welcomed researchers and professionals in the field of Geography to talk about their research, findings, and/or experiences. OMG McGill, our student-led open mapping group, held its first Mapathon of the year.
- MUGS was hard at work to bring you our new and improved lounge 2.0! Come take a look at our remodeled geography haven in BH 305 (Burnside 3<sup>rd</sup> floor), we're sure you'll love it!
- We had some Soupe Café Chili at our second General Assembly on November 22<sup>nd</sup> before braving the record-breaking cold to get to Peel Pub for Pints, Lines, and Polygons, a formula that was highly successful last month. Everyone had a blast! Thank you all for coming!
- Free GIC Workshops are offered to McGill students on Thursdays. Please make sure to register on <http://gic.geog.mcgill.ca/2018-19-workshops/> as places are limited. Here are the last three workshops for this semester:
