### **General Updates**

- We have begun the process of shifting all of our review sessions to an online format, starting with SOCI 330, in order to make them more accessible to everyone. The results we have received have been overwhelmingly positive
- We are in the process of designing our departmental hoodies and sweatshirts. Designs should be up for orders in the coming weeks
- Facebook page activity and engagement has significantly increased
- FMC passed the SSA budget
- Call for editors has gone out, and we will be reviewing applications over the next few weeks

### **Upcoming Events**

- We are continuing the planning of our upcoming wine and cheese in February, as well as determining ways to reduce the budget surplus that the SSA has from previous years
- Change of logo
- Winter formal event in works with PSSA
