

Report of the German Students Association (Jan 27th)

Present

- Stammtisch and Kaffestunde have both restarted!
- Peer Tutoring is starting really soon!

Projects

- We are talking to Concordia again about doing an event, perhaps a joint Stammtisch, trivia or otherwise.
- We are also talking to the LLC department to see if they want to do an event!
- We are also looking into a wine and cheese (Käse und Glühwein!), unclear if we can make this happen or when.

Respectfully Submitted,

Abigail Leblanc, VP External
