## **Report of McGill Environment Students' Society**

Sunday, January 27th, 2019

### **Event Reports**

- Sangria and Nachos:
  - Great turn out at our Mac Campus event despite a snow storm delaying the shuttle buses.

### **Upcoming Events**

- 'Life After Environment' Social:
  - In collaboration with Green Careers Week, MESS is hosting a reception after presentation so current McGill ENVR students can socialize with the presenters, profs, and alumni.
- ENVR Domain Fair:
  - In mid-March, MESS is hoping to have a domain fair where first-year students can meet students currently enrolled in all 11 ENVR domains so they can learn which stream they are most interested in.

### **General Updates**

- Clothing orders:
  - Hoodies have arrived.
  - Long sleeves, quarter zips, and hats will be coming in soon to pick up later this week.

Respectfully submitted,

Cristina Venegas
