

## **Report of History Students Association**

### **Updates**

- We hosted a Semi Formal last week with DESA in Thompson House. It was very well attended and we have received a lot of positive feedback from people who attended. We hope to continue this event in future years!
- We just finished sweater sales, they should be delivered to us in about three weeks. We will also be ordering stickers as well.
- We are ordering new furniture for our office to replace our broken shelving and increase the seating in our office.
- Historical Discourses is in the process of reviewing the many submissions that they received.

### **Events**

- We will be hosting a number of events in March, including a Research Brunch with professors from the department.
