

Report of the German Students Association (Mar 20th)

Present

- We have partnered with CLASHSA, DESA and ISSA to do an International Trivia Night, this Wednesday (tonight) at Bar des Pins (3714 Parc)! :D
- Elections have started! We are accepting candidates until Friday March 22nd.
- We are updating our Constitution to better reflect how we proceed as well as cleaning up/clarifying some things.
- Our weekly Stammtisch is still going on.

Projects

- For our Journal Launch, we'll be having a joint event (end of the year party) with the CGLSA (Concordia German Language) on April 5th at the Goethe-Institut!
- We have stopped our weekly Kaffeestunde (coffee and chat in German) and are trying to explore new options to make the event more appealing by adding some extra spice to it. ☺

Respectfully Submitted,
