

# AUS Year in Review

2018-2019

---

The AUS Executive fucked up

A decorative graphic of a pine branch with many thin needles, rendered in a light green color, positioned on the left side of the slide.

# Highlights of the Year

---

- Departments facilitated a number of successful events
- POC Commissioners hired
- Creation of VP Services
- Creation of IRP (Involvement Restriction Policy)
- Higher voter turnout

# Our Challenges

---

- Building closure
  - We will be moving
  - Working with limited space
- Certain academic policies

Thank you for a wonderful  
year! You have made a  
great difference!
