Report of the Economics Students Association (ESA) on April 3rd, 2019

Economics Students Association (ESA) Business

- The ESA has held a very successful case competition on March 30th. We had 9 teams compete to discuss the future of Oil. The event returned such high marginal utilities that we intend on holding it again next year.
- Sweaters should be ready for distribution soon. Check the ESA Facebook or email for more information.
- The ESA's elections are ongoing. Voting occurs at ssmu.simplyvoting.com until tomorrow, Thursday April 4th at 5:00 pm.
- If you are an economics student looking to get involved in the ESA next year, reach out and we would be more than happy to have you join us in one of our portfolios.

Respectfully Submitted,

Andrew R. Chase

VP External, Economics Students Association
