Event Reports

- MSE 20th Anniversary:
 - Our Semi-Formal in Tomson House went well!
 - We sold out all 60 tickets, music was great, people chatted all night long, food and beverages provided by Tomson House was amazing too.
- Life After Environment:
 - In collaboration with MSE and CAPS for Green Careers Week, we hosted a reception after the Alumni Panel in Brown Building.
 - Food was good, people mingled, students got to meet alumni working in interesting fields, and overall the reception was a success.

Upcoming Events

- ENVR Study Halls:
 - We are trying to organize study halls/sessions for students in the ENVR core courses running this semester.
- McGill School of Environment Town Halls:
 - Schedules for our 6 Town Halls are posted on our Facebook page.
 - Profs and MSE admin will be present to hear how the school and/or department could be improved.

General Updates

- The election process is nearly in full swing. Campaigning has nearly begun and we don't have any empty positions. Any updates regarding dates and candidates will be advertised on our listservs, Instagram, and Facebook.
