

Report of the German Studies Association (September 28, 2019)

Present

- We have renamed last year's Kaffeestunde to Bagelstunde and will continue to host it every Monday from 4 - 5PM in SH688 room 321
- Our weekly Stammtisch will continue this year beginning at 5:30PM on Thursdays and continuing as long as people are still interested. It will take place at Le Coin Social.
- Through our application process, we've found our peer tutor (Noah Gundermann). The peer tutor schedule will be discussed in the next executive meeting.
- We are spreading awareness about the German Department's yearly German language immersion weekend (taking place from October 4th through October 6th)

Projects

- We are currently searching for a fiscally feasible Oktoberfest event that our group can organize a trip to.
- We are in the midst of planning a wine & cheese event occurring on either November 6th or November 19th.
- We are planning our first samosa sale, although we're unsure about the date at the moment.
- We are currently reaching out for submissions to the German Undergraduate Studies Journal (*Vielfalt*) in preparation for its 2019 release.
- We are workshopping an apartment crawl in which the GSA would host a German themed stop (similar to last year's).

Respectfully Submitted,

Xavier Palmer
Vice-President External of the German Studies' Association
