

## **Report for Italian Studies Students Association (ISSA)**

### **Ongoing/Upcoming Events**

- We will host an event every week, that we will share on Facebook:
  1. We will host *Caffé Italias*, which are conversations that will be held at Bagel et Café from 5-6pm. They are conversations in Italian. We will do them 4 times every semester.
  2. We will also host *Cineclub*, that will be held in Sherbrook 688. We will show movies in Italian. We will also have 4 films for the semester.
  3. We will do a tour in Little Italy probably in late October or early November.
  
- We will probably have a cannoli sale.

Respectfully Submitted,
