## **Report of the McGill Environment Student Society (MESS) Sunday September 29<sup>th</sup> 2019**

### **General**

- We just had our first event last week: The MESS welcome back BBQ – we had good turnout, good food and it ran very smoothly.
- We closed our applications for empty exec pages on Tuesday the 24<sup>th</sup> but are extending U1 rep applications to Thursday night.

### **Upcoming Events**

This week is a big one for us in preparation for the climate strike:

- Climate Panel Discussion: Wednesday the 25<sup>th</sup> (this coincides with the AUS general assembly – we are urging arts students to go to the GA instead).
  - o We are updating our event addressing accessibility questions and concerns.
- Poster making: Thursday 26<sup>th</sup> 4-7 at Ecole.
  - o We are providing cardboard and art's supplies
- Snack and Strike: Friday 27<sup>th</sup> 10-11AM at the 3 Bares park
  - o A space for environment students to gather before the strike
  - o We will provide some snacks on a first come first serve basis
  - o There will be a group from mac that will organize and walk/ take the train together to downtown to join the strike as well.

Respectfully submitted,

Myriam Driss  
VP External (AUS), MESS
