Report of Philosophy Students' Association, AUS Council 30 October 2019

- Current Projects
 - We have recently released a mental health survey to our members which is intended to give us a better understanding of students' engagement with counselling services.
 - Our Academic Affairs Coordinator, Owen Gongos, continues to coordinate review sessions for PHIL 210 (Deductive Logic).
- Upcoming Initiatives
 - The Coordinating Committee will be meeting on Monday evening this week as usual for our General Meeting.
 - We will be having a pizza night on Tuesday at 5:30pm.
 - A joint apartment crawl called *Crawl Through the Decades* took place on Friday night with several other humanities departments. A meeting will take place this week with the Events representatives from each department to determine the profit earned and other related logistical matters.
 - The PSA will soon have a final vector image of the new logo, which will then of course be submitted to council for verification.

The PSA meets Monday at 5:30pm in Leacock 931, the undergrad philosophy students' lounge.

Respectfully Submitted,

Matt Gery
PSA External Affairs Coordinator
