

VP SERVICES REPORT - October 30th, 2019

Notice

For the past two weeks, I've been dealing with a personal, family emergency that required me to fly home to Vancouver, Canada from October 19th - 25th. As it has been a stressful and difficult time for myself and my family, I have stepped back from my duties as VP Services during that period.

Thank you for your patience during this time. If you're waiting to hear back from me, I will get back to you as soon as I can. I will be easing myself back into my work and academic schedule this week. Office hours will be the same.
